The CSR-Ready consortium has concluded its third Transnational Partner Meeting that has taken place in Leitrim, Ireland on Tuesday 31.05.2022 and Wednesday 01.06.2022. The meeting counted with the presence of at least one representative from each partner organization, and served to finalize IO2, check-in with the status of IO3 and kick-off of IO4.

During the meeting, the coordinator tvw led the rest of the consortium throughout the different Work Packages and Intellectual Outputs. The next steps in the project are the development of IO4, the Knowledge Platform and the pilot testing of IO2, the VET Training Package. As the project is now at the halfway point, the consortium has created an interim report, which has been evaluated positively by the National Agency.
